The Cambridge School of Dallas Policies and Procedures Manual adopted by the Board of Trustees is the final authority for matters of policy related to the School. In the event of any conflicts between this handbook and the Policies and Procedures Manual, the Policies and Procedures Manual shall control. A copy of the Policies and Procedures Manual is available for review in the office of the Head of School. This handbook may be amended from time to time. Please refer to the School website for the most current version.

2011-2012 Theme Verse

*Omne quodcumque facitis in verbo aut in opere omnia in nomine Domini
lesu gratias agentes Deo et Patri per ipsum.
Colossenses 3:17*

*And whatever you do, in word or deed, do everything in the name of the
Lord Jesus, giving thanks to God the Father through him
Colossians 3:17*

Introduction

The Cambridge School of Dallas has established standards for students and parents which are discussed in this *Handbook*. Students, parents, faculty and staff should all be intimately familiar with this *Handbook* since all work together to achieve these standards. However, Cambridge seeks to be a school that is regulated by character based on commitment to Jesus Christ. This enables the School to accomplish its mission without overdependence upon rules and regulations. Its goal is heart transformation and its process of administration seeks to be consistent with this goal.

Mission Statement

Academic Discipleship: Fostering a Love of Learning with a Passion for Jesus Christ

The Cambridge School of Dallas is a Christ-centered, classical, college preparatory school. Its educational philosophy is committed to Academic Discipleship. A Cambridge education serves discipleship by fostering a love of learning with a passion for Jesus Christ. The aim is to equip students to know Christ with all their minds, to love Him with all their hearts and to serve Him with all their lives. The School's desire is to see its students honor God in every area of life.

Guiding Principles

The Cambridge School of Dallas seeks to prepare young Christian men and women who are spiritually formed in Christ-likeness, to be philosophically grounded in a biblical worldview, encouraged in a traditional vision of reality, and academically prepared for leadership in strategic centers of cultural influence. This is a school that is attempting to raise the bar on both spiritual fervor and academic preparedness so as to graduate students who are able to be an antidote to cultural decline and spiritual drift and to engage the contemporary culture using their God-given gifts and abilities to meet the world's deepest needs.

Cambridge is about changing lives to make a strategic difference. There is no time in a person's life that is more important in terms of intellectual and spiritual formation than the teenage years. Cambridge is dedicated to being a prototype of strategic kingdom discipleship among young adults. More than a school, it is dedicated to being a prototype of strategic kingdom discipleship among young adults. It seeks to be the training ground for young apprentices of Jesus who have dedicated themselves to making a difference in their generation, for the sake of the gospel, and in gratitude for the cross of Christ.

Thus, Cambridge addresses both the heart and the mind. The work is hard, the curriculum rigorous, the spiritual expectations high - for a purpose. Cambridge seeks to graduate students who have a clear calling, a commitment to their generation, a kingdom imperative in all they seek to do with the rest of their lives, and, above all, a heart-motivated love for Jesus Christ. Cambridge is about intensive discipleship, strategic influence, traditional education, and intellectual preparation.

Intensive Discipleship

Too often, no substantive difference exists between the behavior of "Christian" teenagers and non-Christian teenagers. Moreover, many Christian young people who regularly attend churches before college fail to continue regular worship in church once they leave home. Many schools today under-value the importance of spiritual formation and under-serve students who are in need of academic discipleship. To this end teachers cannot simply teach students, they must

disciple students both spiritually and academically. *What can be done to equip teenagers to become active apprentices of Jesus who are capable of influencing their culture? Cambridge seeks to be an answer to this question.*

Strategic Influence

Many young people today dream of personal peace and affluence. They follow the advertised lifestyle of power, prestige and pleasure. Few students are encouraged to maximize their potential and press toward the goal for the sake of something larger than themselves. Little thought is given to answering God's call upon their unique gifts and personality. *What can be done to enable and encourage teenagers to focus their abilities and passions on the world's deepest needs in a manner that furthers God's kingdom? Cambridge seeks to be an answer to this question.*

Traditional Education

The education of many of the godly leaders and great Christian apologists of the past was based on a curriculum that was traditional, rooted in faith and grounded in a commitment to classical languages, logic and rhetoric. Today's schools have strayed from these standards. *What can be done to recapture the Christian mind and prepare and equip leaders for the sake of the future? Cambridge, through the classical traditions and rigors of a college preparatory curriculum, seeks to be an answer to this question.*

Intellectual Preparation

Commitment to Christ-centered intellectual preparation within the body of Christ is inconsistent. Many often do not make the connection between education and evangelism. The gospel has lost its influence within society largely because Christians have been unwilling to develop both mind and spirit to the degree necessary for influence. *Where can Christian teenagers be prepared so that they are capable of admittance in centers of cultural influence while resisting the negative aspects of their teaching and lifestyle? Cambridge seeks to be an answer to this question.*

Doctrinal Statement

Primary Doctrine

We believe in the verbal, plenary inspiration of both the Old and New Testament in the original documents, both of which are infallible and inerrant and that they are our final and absolute authority in every area of life and knowledge.

We believe that there is one God, eternally existent in three Persons: Father, Son, and Holy Spirit. He is omnipotent, omniscient, and omnipresent.

We believe in the deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miracles, His vicarious and atoning death through His shed blood, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in power and glory.

We believe that God the Holy Spirit is a personal being who convicts the world of sin, regenerates, indwells, empowers, guides, bestows spiritual gifts on believers, and seals them eternally for God. We believe that for the salvation of lost and sinful men, regeneration by the Holy Spirit is absolutely necessary.

We believe that man was created by a direct act of God in His image, and God breathed into man the breath of life, that all men sinned in Adam (the historical father of the entire human race) and thus incurred both physical and spiritual death and inherited a sinful nature.

We believe that salvation is by grace alone, through faith alone, and in Christ alone.

We believe that faith without works is dead.

We believe in the bodily resurrection of both the just and the unjust: the everlasting blessedness of the saved, and the everlasting punishment of the lost.

We believe in the spiritual unity of all believers in our Lord Jesus, and that all are under the mandate to make disciples of all nations.

Secondary Doctrine

The School is committed to classical biblical orthodoxy, but does not seek to emphasize secondary doctrine. The following serves as a guideline in discussing secondary doctrines as they arise in the classroom: Classroom discussion of secondary doctrine should be on an informative, non-partisan level. Professors must be careful not to speak to the students in a manner that would cause offense to the students or parents. Presentation of all sides of an issue is encouraged. The professor should encourage the students to follow up any questions they have with their parents and minister/rector/priest.

Controversial Topics

In addition to issues related to secondary doctrines, occasionally topics will arise that are controversial in nature, subjects on which Christian families and churches disagree or may consider divisive. On such occasions, professors must make a professional judgment as to whether discussion of the topic will further course goals and the development of students' abilities to handle controversial topics with grace, wisdom, humility, and confidence. If the professor does not believe discussion will prove profitable, then s/he will not allow class time for the topic at all. If discussion is allowed, professors will direct students' attention to informed sources on each side of the subject and will encourage students to honor the teaching they have learned from their parents.

Alma Mater – “Be Thou My Vision”

Be thou my vision, O Lord of my heart;
Naught be all else to me, save that thou art:
Thou my best thought, by day or by night,
Waking or sleeping, thy presence my light.

Be thou my wisdom, and thou my true word;
I ever with thee and thou with me, Lord:
Thou my great Father, I thy true son,
Thou in me dwelling, and I with thee one.

Riches I heed not, or man's empty praise,
Thou mine inheritance, now and always:
Thou and thou only, first in my heart,
High King of heaven, my treasure thou art.

High King of heaven, my victory won,
May I reach heaven's joys, O bright heav'n's Son!
Heart of my own heart, whatever befall,
Still be my vision, O Ruler of all

There are no shortcuts at Cambridge. None are taken.

Student Honor Code

All students, on their honor, will treat others with respect and will not lie, cheat or steal.

1. Respect is treating others with civility and consideration.
2. Cheating is giving, receiving or attempting to give or receive unauthorized help. It also includes plagiarism. Plagiarism is a form of cheating that is the representation of another's work as one's own.
3. Stealing is the taking of anything without the consent of the owner.
4. Lying is defined as any attempt to deceive, falsify or misrepresent the truth.

Any violation of the honor code to whatever extent will be reported to the Honor Council which will recommend a course of action up to and including expulsion.

Honor Pledge

"I, [student's and parent's name], have read the *Student Handbook* and hereby acknowledge an understanding of the standards of conduct required by The Cambridge School of Dallas and pledge my best efforts to conform to these standards or willingly face the consequences for their violation as deemed appropriate by the Headmaster."

Student Leadership

Formal positions of student leadership at the School are comprised of two Councils: the Honor Council and the Prefect Council. The primary purpose of each Council is to pursue and carry out the vision of the School and to encourage and model the same in the student body. The specific role of the Honor Council is to model and implement community standards; that of the Prefect Council to attend to and nurture the social and spiritual morale of the student body. Student leadership, which is central to our philosophy, is considered extracurricular.

Honor Council

The verbs that most accurately summarize the work of the Honor Council are *encourage, discipline, restore*. Honor Council members lead by encouraging all students to uphold community standards, by recommending just and fair consequences for errant behavior, and by restoring those who come before them. In their role of upholding community standards, the Honor Council reviews alleged violations of expected standards of conduct, and makes disciplinary recommendations to the Honor Council Advisor and Headmaster. The student in question will have the opportunity to clarify information or explain mitigating circumstances to the Honor Council. Parents of middle school students may be invited to attend, but are not permitted to speak. Proceedings of the Honor Council are confidential. The Honor Council Advisor will meet with the parents and student together to discuss the Honor Council's findings and recommendations for disciplinary action. The Headmaster has the authority to supersede the recommendations of the Honor Council, and in some cases may act without convening the Honor Council.

Prefects

The verbs that most accurately summarize the work of the Prefect Council are *monitor, engage, exemplify*. The Prefect Council provides the formal student leadership for the school and is charged with promoting social and spiritual morale, taking overall care of the school grounds and facilities, and with evaluating the effectiveness of school policies. Thus they are particularly involved in mentoring and building relationships among students and across the grades. The Apostle Paul's exhortation to Timothy to "set the believers an example in speech, in conduct, in love, in faith, in purity" (I Timothy

4:12) describes the role of the prefects. The Prefect Council provides regular counsel to the Headmaster, works closely with the Honor Council, and represents the School at major public functions.

Process for Selecting Honor and Prefect Councils

In early spring of each year, students and faculty nominate those students in the rising upper school grades (9-12) who they believe meet the following criteria and should be considered for membership on one of the Councils: a demonstrated relationship with Jesus Christ, leadership among peers, ability to work well with faculty, staff, and parents, integrity of character, and commitment to and pride in The Cambridge School of Dallas. Students receiving the most nominations from students and faculty are then interviewed individually by the Headmaster, Dean of Students, and the outgoing senior (twelfth grade) members of the two Councils. As many as twenty students are interviewed, and ultimately ten are selected, five appointed to the Honor Council and five to the Prefect Council. Council members serve for a one-year term and may be re-appointed. Both Councils meet weekly or twice-weekly (depending on need) with their faculty advisors. Just as bishops or overseers in the New Testament (1 Tim 3:2ff) are held more explicitly accountable to standards of maturity, so also are Honor and Prefect Council members. They will be removed from their responsibilities if their integrity is undermined by their conduct, or if they are placed on academic probation. Honor and Prefect Council members must be enrolled and in good financial standing with the School by the end of the previous term. In order to serve as head of either Council, a student should have served on the same council at least one year previously. Final discretion as to the makeup of the Councils rests with the Headmaster.

The Cambridge Uniform

Cambridge encourages a lifestyle reflective of virtue, self-discipline, and concern for the spiritual well-being of both faculty and students. The uniform regulations promote these goals by encouraging individual expression based on character, personality and special talent rather than on the style and expense of the latest fads and fashions. The Cambridge uniform is required for all school functions unless explicitly stated otherwise.

Guidelines about Externals

Department, grooming, and dress should always reflect the commitment to fulfill the Cambridge Mission. Visible body piercing (other than pierced ears for women) and tattoos are forbidden. (See ***Appendix A*** for the specifics details of the Cambridge School Uniform Code.)

All

Hair color must be natural if dyed. Only solid white undershirts may be worn. Oversized shirts are not acceptable. No hats or caps may be worn inside the buildings. Only the black Parker sweater, black Parker Fleece, or Parker scarf (described in ***Appendix A***) is considered acceptable outerwear and may

be worn on cold days. Approved athletic outerwear can be worn on game days and the Friday before a weekend event. Non-uniform outerwear must be placed in the lockers before first period and may not be taken out until the end of the day.

Students must comply with the uniform regulation whenever they are on campus during school days. Uniforms must be properly worn throughout the school day. Specifically, students must keep their shirt tucked in and must maintain a neat, clean, modest appearance. In keeping with the guiding principles described above, extremes in hairstyle, excessive make-up, or jewelry are discouraged and will be dealt with individually when necessary.

Men

Men's shirts, ties (or bowties) and slacks should not be wrinkled, disheveled, or dirty. Hair must be neat, clean, not below the collar and ears (no ponytails). Men must be clean-shaven and may not wear necklaces that are visible, earrings or other forms of body piercing to school. See **Appendix A** for more details.

Women

Women's skirts must come to their knees or at least within two inches of the top of the knees. Students not in compliance will be sent to the Receptionist or home to change into a skirt of suitable length. Parents will also be notified. Girls are not to roll up the waistband of their skirt. Solid white crew or knee socks must be worn (no logos or brand names). On cold days, solid black footed tights may be worn. No leg coverings other than tights and socks are acceptable. Pierced ears are the only acceptable form of body piercing. See **Appendix A** for more details.

Free Dress/Jeans Day

Certain days during the year will be designated as "free dress" or "jeans day." Unless otherwise defined for special occasions, on these days students may wear a Cambridge or college shirt and jeans, as long as they are clean, neat and not torn. Jeans are not cargo pants. The jeans must be loose enough to tuck in a shirt. Shirts must be long enough to be tucked in. Bare midriffs are not allowed, and shorts are never appropriate. No flip flops or bedroom slippers are allowed. If a student is not participating in the jeans day, the standard uniform code applies. If a student's attire is deemed inappropriate by the Administration, the student will be sent home to change and will be counted absent for all classes missed. The student is required to be appropriately attired before admittance to class.

Dress for Field Trips and Athletic Travel

Students must dress in uniform or wear appropriate attire as determined by the Administration when participating in school-sponsored trips. The uniform will be worn on most school field trips.

There are no shortcuts at Cambridge. None are taken.

Attendance: Policies and Guidelines

The Cambridge School of Dallas is committed to modeling and forming habits of the heart and mind that make possible the fulfillment of its mission in the lives of its community—students, their families, the faculty and staff. Clearly, the overriding goal of Academic Discipleship assumes that students and their professors and coaches are always present and engaged. Of course, circumstances occasionally intervene—illness, emergencies, academic and cultural opportunities. But consistent, faithful attendance is necessary to receive the full benefits of a Cambridge education.

Class Attendance

Students are required to attend class. They are not given the option to skip a class for any reason, including working on academic material for another class, unless specific permission is granted by the faculty member of the class being missed. Skipping class will result in disciplinary action. Repeated offenses will be submitted to the Honor Council.

When students miss class for any reason, it is their responsibility to meet with professors or classmates to get missed assignments. Students should obtain assignments and related materials as soon as they resume attendance (see **Make-Up Work** below).

Co-curricular Activities Participation

A student who fails to attend at least four classes in a given day shall not be permitted to participate in afternoon school activities (including athletic practices and games as well as fine arts rehearsals and performances) and may not participate in any school-sponsored activity that same day, unless considered as a pre-arranged absence as approved by the Headmaster.

Tardies

It has been our experience that students who are on time to class tend to perform better academically. Students are to be in their classrooms by 8:00 a.m. Those who arrive after 8:00 a.m. report directly to their class and will receive a tardy. In addition, the Registrar's Office keeps track of tardies during the school day. Tardies will be counted as demerits. Three demerits in a semester will result in a detention. After two detentions alternative punishments, such as arriving at 7:30 if the student is frequently tardy to first period, will be considered.

Absence Policy

Absence Notification Policy

When a student cannot attend school, it is the parent's responsibility to notify the Receptionist (214-357-2995) **as early in the day as possible**. If the School does not receive a call, an attempt will be made to contact a parent for confirmation of the absence. Students who know of an upcoming absence are responsible for making arrangements with each of their professors in advance.

Excessive Absences

Any student who misses **12 days for full credit courses and 8 days for half credit courses** or more of a course for any reason will lose credit for the course. Students who believe extenuating circumstances justify the absences may appeal to the Headmaster. Excessive absence from class typically results in lower class averages. The following are not counted towards your absences: academic absences (i.e. TAPPS, field trips etc.), athletic absences for CSD sports, and college visits (see below).

Excused Absences

Absences are excused in cases of illness, death of immediate family members, court appearances, special circumstances, and medical appointments. If possible, medical appointments should be scheduled after school.

Unexcused Absences

Any absence which does not automatically qualify as an excused absence and which is neither permitted by the professor nor excused by the Headmaster is considered an unexcused absence. Students will receive zeros on any tests, quizzes, papers, or other work missed due to the unexcused absence. Unexcused absences will be reported to the administration and the Honor Council.

Absences due to Illness

When a student is ill and cannot attend school, it is the parent's responsibility to notify the School office as soon as possible. If no contact is received between the School and the parent, the absence is recorded as unexcused. A note from a parent or doctor must be presented to the School office to be readmitted to class. If it is subsequently discovered that the student who is absent because of illness has engaged in an activity, even with parental permission, that is inconsistent with the illness, the student's absence will be unexcused and reported to the administration and Honor Council.

Extended Absences

Students who have been absent for longer than three days and have missed assignments during their absence must make arrangements with their professors the day of their return to complete the assignments. Each professor will meet individually with the student to determine when the class assignments are to be completed.

Preplanned Absences

Students who plan to be absent from school for reasons other than illness or for school related absences are expected to meet beforehand with each professor to make arrangements for completing assignments. A multiple-days absence for other than school-sponsored activities requires that a **Preplanned Absence Form** be completed and signed by a parent or guardian and given to the Headmaster no later than 9:00 a.m. on the day preceding the absence.

Preplanned Absence Forms should be completed by instructors and signed by a parent or guardian. The student shall then take the form to the Headmaster for approval. [Note: Two sets of approvals are necessary for a preplanned absence, approval from all the student's instructors and the Headmaster.] A copy of the completed form will be returned so that the student can refer to it to complete the assigned work.

Absences for College Visits

Seniors are allowed five excused days and juniors three excused days for college visits in any one school year. College Visit Forms must be used for all visits that cause a student to miss school. Any college visit beyond the maximum limit allowed must be approved by the Director of College Placement. College Visit Forms are available through the College Placement office, Edline, and the school website. The school-sponsored college trip does not count toward the excused college visits.

Sign-Outs

When a student must leave before the 3:00 p.m. (close of the school day), s/he must provide a note from a parent stating a specific reason for the early dismissal (something more detailed than "To go home" or

“Appointment”). Please try to schedule medical and dental appointments after school hours. Before leaving, the student signs out (and back in, if appropriate) at the Front Desk. Students who leave campus without having signed out may be subject to disciplinary action. No one is authorized to give any student permission to leave campus without specific authorization from the Headmaster, Academic Dean, or Athletic Director.

Make-up Work

In the case of a short absence from school (a day or two), students are expected to make up their work promptly upon their return to school. In particular, a one-day absence on the day before a scheduled test does not necessarily exempt the student from the test. In the case of longer absences for more serious illnesses, the School allows proportionally longer time for making up a test. It is the student’s responsibility to arrange a schedule with the professor for any make-up work, including tests.

A student who comes to school after the period in which a test was given is typically required to take the test on that day and will be referred to the Honor Council if this is a behavior pattern.

Students who have been absent for longer than three days and have missed assignments during their absence must make arrangements with their professors the day of their return to complete the assignments. Students must meet with each professor individually to determine when the class assignments are to be completed.

Faculty members are willing to help students devise an appropriate schedule for making up missed work; however, completing the assignments in a timely manner is the student’s responsibility.

Discipline: Policies and Guidelines

Behavior Expectations

Behavior expectations are set for the goal of training in life and godliness. Professors and administrators at Cambridge are as committed to their students’ character development as to their academic competencies and thus view themselves as mentors, not police or best friends. Occasionally, students make decisions that (1) interfere with their own and others’ learning process, (2) cause physical or emotional harm, and/or (3) willfully flout established policies and guidelines. They will be held accountable for such decisions and appropriate consequences will be assigned.

Each student is expected to behave in a manner that exemplifies honesty, loyalty, courtesy, consideration, and respect. Students will be held responsible and accountable for behavior that violates these principles. Proper behavior is expected at all school-sponsored activities both during and after the regular school day. Students who consistently or repeatedly fail to uphold the standards of conduct and behavior expected by the School may not be invited back the following year.

Parents and students are expected to support and uphold school standards of conduct and discipline. Without this cooperation and support, a double standard exists between the home and school that is detrimental to the student’s development and the Cambridge community.

The goal of all Cambridge discipline is to address the heart of the student(s) in the context of discipleship.

Classroom Behavior

Upon entering the classroom, students remain standing until their professors invite them to be seated. The atmosphere is one of respect and professionalism, where inquiry and deep learning occur continuously and where close relationships are fostered. Minor classroom disturbances or infractions are handled by the classroom professor. When students need more than simple re-direction to the tasks at hand, professors may remove them from the classroom.

Realistic behavioral limits are set for the good of the students and are carefully explained and enforced. Discipline is necessary when behavior violates one or more of the following general guidelines:

1. Any action that interferes with the learning process
2. Any action that could cause physical or emotional harm
3. Any action in violation of a school rule
4. Any act of willful disrespect

Prior to the school year, every student, and at least one parent, **must sign** a statement indicating their understanding of the **Community Standards of Conduct** and their willingness to conform to these standards or face appropriate disciplinary action.

Community Standards of Conduct

1. Students shall conduct themselves in a respectful and orderly manner.
2. Students shall not talk back or argue with faculty members in a disrespectful manner.
3. Students shall endeavor to keep the campus clean.
4. Students shall attend class with appropriate books and material and turn in assignments.
5. Students and parents must make restitution for any damaged or defaced property. Actual replacement or repair costs will be assessed by the administration.
6. Students shall not use profanity or hurtful and demeaning language to others.
7. Students shall not bring to school or to a school activity articles such as pornography, alcohol, drugs, or tobacco.
8. No weapons, including knives, guns or explosives may be brought onto the campus or to any school function, either on campus or off. Using any object in a threatening manner as a weapon will also be held to be a violation of the Cambridge weapons policy. Furthermore, the School forbids having facsimile weapons at school, such as toy guns or plastic swords or knives.
9. Students shall not engage in public displays of affection, such as holding hands or kissing, at school or school functions.
10. Students shall notify designated school personnel and instructors of classes being missed before leaving the campus during school hours.

Academic Pledge

All papers, tests, and exams must have written and signed on the cover page the following Academic Pledge. Violations of the Pledge will be considered a major offense and submitted to the Honor Council for review.

“I pledge before God and The Cambridge School of Dallas community that this work reflects my own intellectual effort and that no unauthorized help has been given or received.”

Minor Conduct Offenses

Lapses in deportment will result in consequences. Minor conduct offenses are typically handled by the instructor or staff member who is immediately involved with the student(s). Students are expected to respectfully obey and submit to the authority placed over them in the school community. For minor conduct offenses (including but not limited to uniform violations, classroom disruptions, being unprepared for class or tardies) students may receive a demerit. Students will be informed by the instructor when given a demerit. Three cumulative demerits result in a detention. Detentions may be imposed before school, after school or during certain school hours. The Honor Council will be involved in the process of helping correct lapses in deportment.

Major Conduct Offenses

The following behaviors are considered major community conduct offenses and could result in the suspension or expulsion of the student as deemed appropriate by the Honor Council and/or Headmaster.

1. Fighting or bullying, including at athletic activities
2. Plagiarism, cheating, stealing or other violation of the Academic Pledge
3. Verbal abuse, profanity
4. Leaving the campus without permission during school hours
5. Possession of inappropriate articles on campus (i.e., weapons, pornography, alcohol, drugs, tobacco)
6. Use of illegal substance (i.e., alcohol, drugs, or tobacco)
7. Vandalism
8. Reckless or intentional action that may result in physical injury
9. Lying
10. Sexual immorality
11. Reckless driving in the parking lot or surrounding neighborhood
12. Repeated minor offences (e.g. uniform violations)

Consequences of Major Conduct Offenses

Major conduct offenses will require a meeting between the parents, student, and the Headmaster. Only the Headmaster has decision-making authority regarding suspension/expulsion, although the Honor Council may forward the results of their review and a recommendation to the Headmaster for decision. The goal of discipline is to address the heart of the student in the context of discipleship.

Disciplinary Probation

A student is placed on disciplinary probation for a serious breach of discipline or for persistent minor breaches. A student on disciplinary probation may be denied the right to participate in any activities or interscholastic play or to hold any office in the School. Disciplinary probation is to be interpreted as a warning that any further breach of discipline is reason for suspension or expulsion.

Suspension

A suspended student will be removed from the school community for a designated period of time, from one to five days. A suspended student may not attend or participate in any school-related function during the period of suspension. The student must complete and turn in all classroom assignments missed. The highest grade for all completed assignments is 75. The suspension may be noted on the official student record. Only the Headmaster has the authority suspend a student.

Expulsion

The decision to expel a student rests with the Headmaster. Forgiveness and restitution are fundamental to a discipline policy, yet do not necessarily mitigate against the consequences of certain actions that violate the purpose and integrity of the Cambridge community. Should an expelled student desire to be readmitted to the School at a later date, the Headmaster will make the decision based on the student's attitude and circumstances at the time of reapplication.

Drug Policy

It is the policy of the School to maintain a safe and drug free environment for all students. The presence of drugs as defined below in the school setting, and the influence of these substances on students during school hours or at school-related functions, are contrary to good health, effective learning, school policy, and state and federal law. Students who possess, use, or are under the influence of drugs while enrolled as a student at Cambridge are in violation of the Drug Policy and are subject to disciplinary action.

For the purpose of the Drug Policy, drugs include all substances which have mind- or function-altering effects upon the human body or that impair one's ability to learn or conduct him- or herself appropriately. These substances include, but are not limited to, all prescription and over-the-counter medications, all psychoactive substances, all controlled substances, all inhalants, steroids, all "synthetic" or "designer" drugs, all "look alike" drugs, alcohol, and all substances illegal under federal or state law as defined in the Texas Controlled Substance Act. Because the use of alcohol by a minor, defined as anyone under age of 21, is illegal, alcohol also falls under the guidelines of the Drug Policy. The distribution, manufacture, possession, sale or use of above substances by students is not condoned, excused or permitted by the School.

If the Headmaster suspects drug use by a student, s/he may ask the student to get an outside professional drug test. The student's parents will be required to sign an informed consent statement acknowledging that they understand the student is being tested for drug use. Refusal to be tested or to give informed consent indicates an unwillingness to abide by school policy, which is cause for disciplinary action. Such actions may result in dismissal.

Prescription Medications

Prescription medications, when taken as directed by the student's physician, are not included within the definition above of the term "drugs." Prescription medication to be administered during the school day must be submitted to and dispensed by the Receptionist.

There are no shortcuts at Cambridge. None are taken.

Academics: Policies and Guidelines

Students and their families choose The Cambridge School of Dallas because they long for a school marked by a culture of achievement and a passion for Jesus Christ, which is to say, the pursuit of Truth. Expectations are high for everyone—students and faculty—and the environment in which those expectations are held is one that makes possible and likely the achievement of those expectations. Thus, despite the rigor, students who exercise reasonable and consistent diligence rarely fail; rather, they discover abilities they hardly knew they had and achieve at levels beyond expectations. The following section of the Handbook is intended to inform, not intimidate, and to provide information parents and students need in order to experience academic success at Cambridge.

Academic Advisors

Two faculty members serve as Academic Advisors (see p.9). Their role is to monitor and assist students in their academic progress. The Advisors track students' progress and notify parents when a student is struggling in multiple areas or classes. The Advisor may, at the end of a quarter, request a grade-level conference when a student is performing at an unsatisfactory level in multiple courses.

Progress Reports and Report Cards

Progress reports are emailed at mid-quarter to the parents of all students. Report cards are emailed at the end of the 1st, 2nd, and 3rd quarters, and mailed at the end of the year. [If your tuition is late by more than 60 days (based on your signed contract), your student's report card will be withheld until such time as the tuition is brought current]. **Report cards and transcripts are not released until financial obligations to the School are met.**

Faculty will regularly post grades on Edline. Professors will personally contact the parents of each student in danger of a failing grade in their course. Parents are encouraged to take an active role in the education of their child by tracking the student's academic progress on Edline. Parents should contact their student's professors (or Academic Advisor) if they have questions or concerns about their student's progress. At the parents' and/or Academic Advisor's request, a conference with the professors may be scheduled.

Graduation Requirements

To graduate from Cambridge, all Upper School students must earn the following course credits by achieving a passing grade of 60 or higher. Additionally, a cumulative GPA of 2.0 must be maintained.

English	4 Credits
History	4 Credits
Mathematics	3 Credits
Science	3 Credits
Classical/Foreign Language	3 Credits
Fine Arts (Art or Drama)	2 Credits
Theology	2 Credits
Senior Tutorial	½ Credit
Electives	3 Credits
Athletics (five seasons)	2 ½ Credits
<hr/>	
Total:	27 Credits

Theology must be taken each year a student is enrolled. Certain advanced courses are weighted an additional 0.3.

Transient and Transfer Credits

No graduation requirement may be met by taking courses at other institutions unless the course is not offered at Cambridge and arrangements have been made and **pre-approved** in writing by the Registrar and Headmaster. For students transferring into Cambridge, credit may be awarded for courses from other schools. Each case is handled individually by the Registrar and Headmaster. Transfer students in their junior year who have not begun a foreign language are not required to have three years of a foreign language to graduate but must complete two years.

Grading Periods and Exams

Quarter 1: Aug. 18-Oct. 14
 Quarter 2: Oct. 17-Dec. 12
 Semester Exams: Dec. 13-Dec. 16
 Quarter 3: Jan. 3- Mar. 9
 Quarter 4: Mar. 19- May 18
 Semester Exams: May 21-May 24

Grade Reporting

All academic grading at The Cambridge School of Dallas will use a criterion-reference base for evaluation. The student’s work will be evaluated against an objective standard in each class. Grade point averages (i.e., GPA’s) for each student are computed at the end of each academic year. Only semester and final grades appear on the student’s academic transcript. The following four point scale with weighting is used in every class:

Percentage	Grade	Grade Point	Weighted	Meaning
100-97	A+	4.3	4.6	Exceptional
96-94	A	4.0	4.3	
93-90	A–	3.7	4.0	
89-87	B+	3.3	3.6	Commendable
86-84	B	3.0	3.3	
83-80	B–	2.7	3.0	
79-77	C+	2.3	2.6	Satisfactory
76-74	C	2.0	2.3	
73-70	C-	1.7	2.0	
69-67	D+	1.3	1.6	Passing / Unsatisfactory*
66-64	D	1.0	1.3	
63-60	D-	0.7	1.0	
<60	F	0	0	Failing
	I	0	0	Incomplete

*Should a grade of D+, D, or D- be the final grade in a math or language course, the student must obtain tutoring over the summer and pass a placement test before the new school year begins in order to advance to the next level. See *Re-Admission Policy* (p.24)

Academic Probation

If a student's grade in any course is below 60 or in any two courses is below 68 (determined by end-of-quarter or semester grade reports), the student will be put on academic probation during the next quarter. Students with marginal grades (but not on probation) or those with an established history of academic difficulties will be monitored and may be placed on probation during a quarter if necessary. Parents will receive notice from the Headmaster or Academic Dean if their child has been placed on academic probation.

Academic probation includes the following, unless the Headmaster or Academic Dean chooses to consider mitigating circumstances:

- A weekly meeting between the student and his/her academic advisor
- Removal from school leadership for the remainder of the year
- Ineligibility for participation in any co-curricular activities (such as sports, drama, and field trips)
- No credit awarded for participation in Cambridge or non-Cambridge athletics
- Loss of senior privileges

If the student's grades are 70 or above in every course at the end of the next quarter, the student will be automatically removed from academic probation status. The academic probation policy is monitored and enforced by the Headmaster and Academic Dean.

Accommodations Policy

Families of students with learning differences should discuss the student's needs with the Registrar and complete the appropriate paperwork required by the College Board. This includes a full Psycho-Educational Evaluation completed by a qualified Educational Professional that is current within 3 years. The School will attempt to meet all accommodations requested by a student **and** approved by the College Board.

The following are not considered approved accommodations by the College Board and are therefore not granted by Cambridge, but instead are the responsibility of the student: collecting class work and homework assignments for a course, copying notes for a course, maintaining a current grade log. Certain accommodations for proctoring exams may incur a fee. For the 2011-12 academic year, see the Registrar for fee structure.

Book Policy

Since many textbooks are paperback, students must purchase a large portion of their books. Students must have books with them for the first day of class.

In those courses where books are provided, textbooks must have protective covers. Students will be charged up to the full price of a new book for lost or seriously damaged texts.

Classrooms

Classrooms are to be kept neat, clean, and orderly to encourage learning and facilitate the best academic environment. Food, chewing gum, and drinks in the classroom only by explicit permission of the teacher.

Contacting Faculty/Scheduling Conferences

Parents are free to make contact with the faculty regarding any concerns you may have. The best way to contact faculty is via email (see listing on p.9). If you have any concerns related to your child's classes, you

should make contact with the faculty member. If the concerns are unresolved through contact with the faculty member, parents should at that point make contact with the Academic Dean, Dr. Ken Hahn. Professors will respond to emails within 24 hours whenever possible. In order to respect the faculty's privacy, please refrain from calling them at home, unless a professor has specifically invited you to do so.

Course Information

Registration

Registration in early spring allows accurate estimates of faculty needs for the following year. Registration for elective courses helps determine if an elective will be offered. Course selection is made via Edline to all 6-11 grade students in early spring semester. All students take at least five courses each semester.

Dropping and Adding

Students may not add or drop a core course after the course has begun. Course changes may be made when possible prior to the beginning of school in the fall. Electives may be dropped without consequence in the first two weeks of school. Electives dropped after that point will result in a withdrawal pass/fail (WP/WF) on the student's transcript. This policy also applies to athletics.

Incomplete Courses

A student will be given an "I" (Incomplete) in a course when, at the end of the grading period, there is work outstanding due to illness or other circumstances beyond the student's control. The responsibility for completing the work rests with the student. Failure to do so within two weeks after the completion of the quarter for which the "I" is applicable will result in an "F" which will be recorded for the work missed and which will be included in calculation of the grade for the marking period. When the work has been completed, the professor must notify the Registrar in writing that the work has been completed so that the student's file may be updated.

Homework Policy

The School requires a homework load appropriate to the demands of its curriculum. If students have trouble managing their homework load, they should work constructively with the specific professors, and only when necessary refer the matter to their Academic Advisor. Faculty will work to stagger tests by subject throughout the week so that students do not have more than two major tests in a day.

As a matter of policy, no homework (except Senior Tutorial) may be assigned over Thanksgiving, Christmas, or Spring Break, or the weekends between terms. Homework and tests/quizzes will not be assigned on a school day that immediately follows a late school-night required event, such as Convocation, Open House, the Faith & Culture Lecture, Men's Cookout, and Senior Tutorial Finals. The rationale for this policy is to give students some breaks from what can be unremitting pressure of homework assignments. No tests or quizzes (other than those that are completely review in nature) are to be given during **the last three days** of class prior to the semester or final exams so that students will have adequate time to prepare for end-of-semester and end-of-year exams. Professors should use a portion of this time to review for exams; students will be expected to do the homework associated with the normal preparation for class.

Testing

Examinations

With few exceptions, the courses at Cambridge have 2-hour final examinations, which are given during the last week of each semester. The semester exam taken in December and the final exam taken at the

end of the school year will each count for the following percentage of the semester and total course grade respectively: 10% in 7-8 grades, 20% in grades 9-12.

Advanced Placement and Final Exam Policy

1. Students are not required to take the AP exam in an Advanced Placement course. However, students with a course average of 80 or above by the end of the 3rd quarter are encouraged to take the exam. Exams are ordered only for those who pay for their exams prior to the School submitting the order in early March.
2. All students will take the final exam in AP courses unless they have no more than three unexcused absences/tardies in the spring semester AND meet the criteria further outlined below:
 - a. Students with a course average below 80 will be required to take the final exam, whether or not they take the AP exam.
 - b. Students with a course average of 80 or above will be exempt from the final exam only if they take the AP exam and meet the attendance criteria above.
 - c. **Seniors** with a course average of 90 or above will be exempt from the final exam, whether or not they take the AP exam, as long as they meet the attendance criteria above.
3. Additionally, **seniors** may be exempt from a final exam in a non-AP course if they have achieved at least a 90 course grade on the mid-4th quarter progress report and have no more than three unexcused absences/tardies in the spring semester.
4. The decision to allow exemptions from final exams ultimately rests with the faculty member.

ERB Achievement Test

The ERB CTP-4 Achievement Test is taken each spring by students in grades 6–8 to assess that the School and student are maintaining their academic standards.

PLAN/PSAT/SAT/ACT

Each fall, Cambridge administers the PLAN test (a practice test for the ACT) and the PSAT (a practice test for the SAT) to freshmen and sophomores. Juniors also take the PSAT in order to qualify for National Merit recognition. The SAT, SAT subject tests and ACT are taken by students at different times; these tests are not administered by the School.

Tutoring/Academic Assistance

Academic assistance is available for students who require extra help (**up to one hour per week**) with class material or have missed class due to illness or other extenuating circumstance. Professors will announce tutorial hours during the first week of school and a copy will be posted in each classroom and on Edline.

Outside tutoring may be recommended by a professor or Academic Advisor if a student exhibits specific skill deficiencies.

There are no shortcuts at Cambridge. None are taken.

General Information and Policies

Admissions

Admissions Policy

The Cambridge School of Dallas admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities generally made available to all students at the School. Cambridge does not discriminate on the basis of race, color, national, and ethnic origin in the administration of its educational and admissions policies, scholarship programs, or athletic and other school administered programs. The School does seek to maintain a balance between male and female students in every grade.

The School reserves the right to request the withdrawal of any student who does not meet academic requirements or of a student or family who fails to actively support its rules and regulations.

Tuition Refund Policy

The School makes financial and contractual arrangements with faculty, staff, and vendors before the beginning of the school year. These obligations make it mandatory that the School require families to commit themselves financially for the entire school year in March (new families) of the preceding school year. To assure a place for the next school year, an enrollment contract is to be signed at re-enrollment time by the financially responsible party. Each family which commits in February (returning families) is responsible for the full tuition of that student.

Without exception, tuition is not refunded once a contract is signed. No portion of the tuition will be refunded in the event that a student is either dismissed or withdraws for any reason, and the financially responsible party is liable for any outstanding balances due.

Re-Admission Policy

In order for a student to be readmitted to the School each year, he or she must: (i) earn a passing grade in each required course in the curriculum and (ii) if an Upper School student, maintain a minimum overall grade point average of 2.0. Should a student's final grade in a math or foreign language be less than 70, the student must obtain remedial assistance over the summer and pass a placement test before the new school year begins in order to be readmitted. The requirement for remedial assistance will be stated in a letter from the Head of School to the student and his or her parent(s) as a condition to admission and continued enrollment during the School year, and the student and his or her parent(s) will agree to the letter in writing. A student on academic probation, one who has a pattern of violating Community Standards of Conduct, one who has demonstrated an unwillingness to be at the School or one who has maintained a consistent negative attitude toward the School may not be invited back at the end of any given School year as determined by the Head of School in his or her sole discretion. In addition, the children of parents who have been abusive toward faculty or unreasonably demanding may not be invited back as determined by the Head of School in his or her sole discretion. A reenrollment letter will be sent in February to students selected for readmission. The Head of School will personally notify parents of students not being invited to return.

Tuition/Fee Collection

Tuition Deposit. Each student must make a tuition deposit in accordance with the following policies.

1. All returning students, who are not applying for financial aid, are to return the re-enrollment contract and non-refundable tuition deposit of \$2000 by February 15.

2. All returning students, who are applying for financial aid, are to return the completed re-enrollment contract and non-refundable tuition deposit of \$500 by February 15.
3. All new students, who are not applying for financial aid, are to return the enrollment contract and non-refundable tuition deposit of \$2000 by the March deadline for accepting the School's offer of admission.
4. All new students, who are applying for financial aid, are to return the enrollment contract and non-refundable tuition deposit of \$500 by the March deadline for accepting the School's offer of admission.
5. All new students who submit the enrollment contract and non-refundable tuition deposit after the March deadline for accepting the School's offer of admission and before May 16 will be assessed a late payment fee of \$500.
6. All returning students who submit their re-enrollment contract and deposit after February 15 and before May 16 will be assessed a late payment fee of \$500.
7. All returning and new students who submit contracts and deposits after May 15 will be assessed a late payment fee of \$1000.

Tuition/Fee Payment. Tuition and fees shall be paid in one of the following ways (for students admitted after May 15, tuition may be paid in one payment or in monthly installments as set forth below):

Option #1 – Payment in full by check.

- Due April 15.

Option #2 – Payment in two equal installments by check.

- Due April 15 and May 15 if not applying for financial aid.
- Due May 15 and June 15 if applying for financial aid.

Option #3 – Payment in monthly installments.

- Due in equal monthly installments April 15 through Dec. 15 if not applying for financial aid.
- Due in equal monthly installments May 15 through Dec. 15 if applying for financial aid.
- Additional one-time payment of \$200 fee.
- Payment must be made by automatic draft.

Late Tuition/Fee Collection. The following process is to be followed in the collection of late tuition or fees:

1. In the event tuition or fees are not received within the first five (5) calendar days after the due date thereof, a written notice will be sent to the student's parents.
2. In the event tuition or fees are not received within fifteen (15) calendar days after the due date thereof, a second notice will be sent to the student's parents.
3. If tuition or fees are not received within thirty (30) calendar days after the due date thereof, a third written notice will be sent to the student's parents, a \$50 fine will be imposed, and the Head of School or a delegate will personally contact them.
4. If tuition or fees are not received within sixty (60) days after the due date thereof a fourth written notice will be sent by certified mail, returned receipt requested and a \$150 fine will be assessed. The student will not be permitted to participate in co-curricular activities. The student will not receive grades and his or her transcript will not be sent until payment is made or a payment arrangement is established with the Head of School. This will appear on further tuition statements. The student will be subject to immediate suspension or dismissal at the discretion of the Head of School.

5. If tuition or fees are not received within ninety (90) days after the due date thereof, a fifth written notice will be sent by certified mail, returned receipt requested notifying the family that the student must withdraw immediately from the School. The student will not receive grades, and transcripts will not be sent until payment is made or a payment arrangement is established with the Head of School.
6. If a student's account is in arrears at the end of the School year, the student may not participate in Class Night or Commencement, receive a transcript, or begin the next School year until the account is brought current.
7. The assessment of any of the fines and penalties set forth above may be suspended or waived by the Head of School in his or her sole discretion if the parents of the student whose tuition or fees are delinquent enter into an agreement providing for an alternative payment schedule. The terms of any such agreement shall be determined by the Head of School in his or her sole discretion. Should payment of tuition or fees not be received in accordance with the terms of any such agreement, the fines and penalties set forth above shall be reinstated until the student's account is brought current.

Deadlines. If any of the deadlines regarding payment of tuition or fees fall on a holiday, Saturday, or Sunday, the due date will be the next business day.

Tuition Refund. If a student is expelled or withdraws from the School for any reason after an enrollment or reenrollment contract is signed, tuition will not be refunded, nor will any unpaid tuition due or coming due under the terms of the student's enrollment or reenrollment contract after expulsion or withdrawal be forgiven or prorated. No exceptions shall be made.

Announcements

Cambridge Letter

Those wishing to include an announcement in the weekly *Cambridge Letter* must submit it in writing or email by 4:00 p.m. on Wednesday to the Assistant Administrator (bisbell@cambridgedallas.org). Announcements pertaining to groups not connected with Cambridge will not be accepted.

Signs, Posting, Banners

The Dean of Students must approve any sign, banner, or notice before it is posted on campus.

Car and Parking Policy

In accordance with the School's commitment to the surrounding neighborhoods, all vehicles driven by Cambridge students must display a Cambridge sticker prominently on the back window. During the first two weeks of school, student drivers must register their cars with the Business Office and put on their cars a Cambridge decal. The registration fee is \$35. Cambridge drivers are restricted to certain parking spots designated by The Village Church. The Cambridge community must park in the northwest corner of the property, or in the southeast and southwest corners along Walnut Hill.

Cell Phones/Personal Technology

Cell phones and other personal technology may not be visible or used on campus during the school day (8-3). Cell phones, iPods, etc. are to be turned off – zero tolerance. Cell phones may be checked for messages at the end of the school day (after 3:00). Gaming is not permitted on campus, even at the end of the school day. Cell phone use during the school day is forbidden and will result in confiscation of cell phone. Phones may be redeemed at the end of the school day for \$25.00. Flagrant disregard of the cell phone policy will result in disciplinary action by the Honor Council.

Chapel

We expect all students and faculty to attend the School's chapel services (normally held on Wednesdays), which are an integral part of the school life. Students are expected to attend with their Bibles. Parents are welcome to attend as well. Skipping chapel or arriving late is equivalent to skipping class and will be handled accordingly.

We expect all students and visitors to maintain a quiet atmosphere, recognizing that chapel is a time of worship. The outside chapel speakers are guests of the School and are entitled to courteous attention. Disruptive or discourteous behavior during a chapel address will receive consequences.

Chapel space should be left neat and clean at the conclusion of each service. No materials other than a Bible and the chapel program are to be brought into the chapel service.

Computer/Technology Standards

Computer resources of the school are to be used expressly for academic purposes that support the curriculum of the school. Examples (not a comprehensive list) of policy violations:

- Gaming and accessing Facebook or other social media
- Obtaining, possessing, using or attempting to use someone else's password regardless of how the password was obtained and/or using another's computer account and password to look at their personal information
- Using illegally obtained licensed data/software or using licensed data/software in violation of their licenses or purchasing agreements
- Any action which disrupts the normal operation of the network

Repeated violations of this policy will be addressed by the Honor Council.

Emergency School Closings

During hazardous weather conditions, school-closing announcements will be on the school website and Edline, and reported to TV channels 4, 5 and 8, no later than 6:45 a.m. Closings occurring during the school day for any reason will be posted on Edline and communicated to families via email by the school administration.

Health

Sick or injured students are to report to the Receptionist. Parents will be contacted to pick up any student too ill to remain in school. The School requires parents to provide all requested medical information, as well as the names and phone numbers of people to be contacted in the case of emergency. If a student must take a prescription medication during school hours, the parents must leave this medication with the Receptionist to administer as ordered unless otherwise arranged. Parents should inform Cambridge as soon as is possible if their child is diagnosed with a contagious illness such as measles, chicken pox, hepatitis, mumps, flu, etc.

Lockers

Lockers are assigned to all students in grades 7-12. If there are any mechanical problems with a locker in the first week of school, the student should notify the Business/Facilities Manager as soon as possible. The lockers must not be marked up or damaged in any way. If lockers are damaged or not cleaned out at the end of the school year, the student will be charged a fee for any repairs or cleaning. Students may not remove or deface the locker name plates. Students may not change lockers with other students. Lockers

are to be cleaned out by the last day of classes before Final Exams start. Athletic bags may be stored on the metal shelves in the Gym.

Lost & Found

Books, papers, and articles of clothing left in the Student Hall, classrooms, hallways, or library will be placed in the Lost & Found. Any item in the Lost & Found may be redeemed via the Receptionist for a modest charge: \$1.00 for each item (except cell phones and iPods - \$25.00).

Morning Drop-off / Afternoon Pick-up

Students are not to be dropped off at school before 7:30 am, unless prior arrangements have been made to meet with a professor. Students are not supervised until 7:30.

For safety reasons, students not in a supervised activity are expected to be picked up by 3:30 p.m. Please make arrangements beforehand if you know you will be late. The School assumes no responsibility for providing after-school day-care or supervisory services, except for scheduled athletic events or after-school programs.

School Socials / Class Events

For all school socials which non-Cambridge students will attend, the Cambridge “escort” must register the guest with the Dean of Students prior to the event (i.e. Homecoming, etc.). Cambridge standards of conduct apply to Cambridge social events, both on and off campus. Students are expected to be appropriately modest in their attire for School sponsored events.

School-Sponsored Events

Students at School-sponsored events must meet the same standards of conduct as required during School hours. School-sponsored events are activities that are organized by professors or staff acting in their official capacity, events approved by the Headmaster and organized by the Prefect Council, events encouraged in School communications, or events that receive financial support from the School.

1. School-sponsored events should be consistent with the goals of Cambridge.
2. School-sponsored events require the attendance of a faculty or staff member of Cambridge or a designated parent.
3. School-sponsored activities are generally limited to students who are currently enrolled at Cambridge. The Headmaster may grant exceptions.
4. School-sponsored activities must be communicated in a timely manner to parents.
5. Field trips must have a signed written waiver by the parents limiting the School from liability. Additional authorization for medical treatment may be required.
6. Only School-sponsored activities will be placed on the School calendar.
7. The Headmaster must approve School-sponsored activities.
8. Only School-sponsored activities will receive financial support from the School.

Senior Privileges

Seniors are given special privileges. After signing out, they may leave campus during lunch as well as during their study halls. Seniors must leave a cell phone number or a number where they can be reached in the event of an emergency on campus. If on campus during the study period, seniors stay in the senior study area. On the 2nd and 4th Friday of every month, seniors may wear any Cambridge or college shirt with jeans, khakis, or black pants and athletic shoes. Seniors may use personal laptop computers on campus, but only for Senior Tutorial or college applications. Though seniors are given special privileges,

they are to lead the student body in actions and attitudes reflecting virtue. They are not to flaunt their status as seniors or lord it over other students. Privileges can be revoked.

Visitors

In the interest of safety, all visitors to the campus, including parents, must sign in with the Registrar upon arrival. Students and faculty should report suspicious individuals to the Receptionist or an administrator.

Traditional School Events

There are certain events which are crucial to the tradition and mission of the school. Student participation is required in these events as noted below.

All-School Retreat – an annual retreat generally off campus early in the school year for the purpose of inducting new students and faculty into the school community, discussing class and school goals, and promoting spiritual growth —**STUDENT ATTENDANCE IS REQUIRED**

Athletic Awards Assembly– an assembly at the end of the school year to honor athletic achievement during that year —**STUDENT ATTENDANCE IS REQUIRED**

Cambridge Art Show - an annual exhibit of the best student-produced art work

Cambridge Coffee Haus – a spring talent show hosted by the junior class

Cambridge Formal – a spring dance sponsored by the Parent Fellowship for the Junior and Senior classes

Class Night and Moving-Up Ceremony – an awards program for academic and character contributions to school life, which ends with a ceremony during which each class moves up to the next grade level —**STUDENT ATTENDANCE IS REQUIRED**

Convocation – an all-school and family gathering at the beginning of each school year to review the state of the school, discuss policy changes, introduce new faculty, staff, and students, and renew the community spirit —**STUDENT ATTENDANCE IS REQUIRED**

Declamation Contest and Dinner – a part of the Faith and Culture series, which is the culmination of a school-wide declamation contest held in February —**STUDENT ATTENDANCE IS REQUIRED**

Drama Productions – fall and spring productions

Fall College Trip – an annual tour of four to six colleges over the course of four days, which is open to a limited number of students with seniors having priority

Faith & Culture Series – guest lecturer who addresses topics of interest to the Cambridge community which are relevant to the School's Guiding Principles —**STUDENT ATTENDANCE IS REQUIRED**

Fall Preview – a special assembly where courses for the following school year, including new elective options, are introduced to the school community

Graduation – a ceremony during which the seniors are awarded their high school diplomas and the community celebrates their commencement into the next stage of their lives —**STUDENT ATTENDANCE IS REQUIRED**

Homecoming – a gathering of alumni and families to reconnect with old friends and the life of the school

Junior-Senior Luau – a banquet in honor of seniors and their parents hosted by the junior class

Ladies Tea – a tea in honor of Cambridge senior girls

Men's Cookout – a gathering of the men of the Cambridge community to fellowship

Open House – an evening gathering in which the Cambridge mission and vision are introduced to prospective students and parents, who then have the opportunity to interact with faculty, administration, current students, and parents

Parent Mini-School – an evening orientation for parents which takes them through their student's class rotation and introduces them to the instructor and syllabus

Senior Retreat – taken by seniors in the early fall to challenge them to become servant leaders among the student body. The Senior Retreat is mandatory for all seniors as its purpose is to unite the class and provide leadership training

Senior Tutorial Finals – the culmination of a Cambridge education. Seniors present and defend a research paper before an audience and a panel of faculty —**STUDENT ATTENDANCE IS REQUIRED**

Honors and Awards

The following awards are chosen by the faculty and recognized on Class Night.

Cambridge Academic Awards

- Middle School Fine Arts Award - for the outstanding middle school student in fine arts
- Middle School Humanities Award - for the outstanding middle school student in humanities
- Middle School Math/Science Award - for the outstanding middle school student in math and science
- Rembrandt Award – for the outstanding student in art
- Thespis Award – for the outstanding student in drama
- Homer Award – for the outstanding student in literature
- Milton Award – for the outstanding student in writing
- Pascal Award – for the outstanding student in French
- Herodotus Award – for the outstanding student in history
- Cicero Award – for the outstanding student in Latin
- Euclid Award – for the outstanding student in mathematics
- Agassiz Award – for the outstanding student in the natural sciences
- Archimedes Award – for the outstanding student in physical sciences
- Plato Award – for the outstanding student in philosophy
- Augustine Award – for the outstanding student in theology
- Cervantes Award – for the outstanding student in Spanish
- Paley Award – for the outstanding student in apologetics

Cambridge Student Community Awards

- New Middle School Student Award – for the new middle school student who has made the best adjustment to Cambridge
- Outstanding Middle School Student Award - for the middle school student who has best exemplified the characteristics central to CSD

- New Upper School Student Award - for the new upper school student who has made the best adjustment to The Cambridge School of Dallas
- Community Service Award - for the upper school student who has made the greatest contribution within the larger Dallas community serving others
- Virtues Award - for the upper school student who has actively demonstrated the virtue highlighted for that particular year
- Servant Leadership Award - for the upper school student who has best exemplified the characteristics of Christian leadership within the school
- Master Teacher Award - a cash award for one full-time faculty member who has demonstrated excellence in teaching and contributed significantly to the mission of Cambridge
- Trivium Award - cash awards for the winner and finalists of the Senior Tutorial in recognition of the successful demonstration of the rhetorical goals of a Cambridge education
- Headmaster's Award - a small cash award recognizing character and witness which explicitly manifest the mission of the Cambridge School of Dallas

Community Service Recognition

- Faculty Service Recognition - recognition of faithful service to Cambridge for five years and ten years
- Parent Fellowship President Service Award - for faithful service as the president of Parent Fellowship for the current academic year
- Robbie and Nancy Briggs Family Community Service Award - for a Cambridge family who has made significant contributions to the life of Cambridge

Valedictorian and Salutatorian

The Valediction and Salutatorian are the two seniors with the highest cumulative grade point averages in the Upper School, subject to the following eligibility criteria: the student must have attended Cambridge for grades 9-12, the student can have no suspensions in grades 9-12, the student must have exhibited a positive influence within the school community, the student must have consistency in support of the mission of the School, the student must have been involved in extracurricular activities, and the student must be in good financial standing with the School. Only grades earned at Cambridge are counted towards a student's GPA for purposes of these honors.

There are no shortcuts at Cambridge. None are taken.

Athletic Procedures

Participation Requirements

The Cambridge School of Dallas is a small school with a clearly defined academic mission. It also has a strong commitment to a carefully defined athletic program. The School competes in those sports that are conducive to our size and mission. It provides the highest quality coaching for its teams and consequently fields highly competitive teams. Its varsity teams practice five days a week outside of school hours for two hours each day. The appropriate forms must be completed and signed for students to participate.

Physical Education is required for all 6th grade students.

Students in grades 7-8 are required to participate in three athletic seasons and students in grades 9-12 are required to participate in five athletic seasons. These requirements may be adjusted depending on the student's year of admission.

All students participating on an athletic team are expected to attend all scheduled games. If a student misses a game for reasons not cleared by the coach or the Athletic Director, the coach has the right to treat the failure to attend the game as an unexcused absence, which could result in not playing the next game or a part thereof. Being a member of a team is an obligation to others both on the team and to competitors. Team membership is a privilege that is not superseded by one's personal schedule or academic demands.

Sports Offered

	Girls	Boys
Fall	Crew (additional fee) Cross-country (additional fee) Soccer Volleyball (additional fee)	Crew (additional fee) Cross-country (additional fee) Soccer
Winter	Basketball	Basketball
Spring	Crew (additional fee) Tennis (additional fee) Track and Field Golf (additional fee)	Crew (additional fee) Tennis (additional fee) Track and Field Golf (additional fee)

Athletic Equivalencies

At the discretion of the Athletic Director and Registrar, athletic equivalence can be arranged for special after-school activities such as ballet, select soccer, diving or swimming. A prearranged equivalence requires a signature from the responsible coach or instructor and a comparable number of hours.

Sportsmanship

Sportsmanship of Players

Cambridge athletes display admirable sportsmanship when they

- accept the calls or reprimands of the coach or referee without protest
- use language seasoned with grace
- give maximum effort
- keep from speaking disparagingly about their opponents
- guard the safety of their opponents

- recognize the good play of others

Sportsmanship of Fans

Parents and other fans display sportsmanship when they

- manage their young children at a game
- avoid distracting all players on the court or field
- cheer with positive expressions
- honor and respect the opposing team's players and fans

The goal of The Cambridge School of Dallas is to be known as a school that has contagious enthusiasm for fair play and courtesy toward the opposing school's fans and players. The reputation of the School, and of Christ, is at stake in the behavior demonstrated by Cambridge players and fans at every game.

Athletic Uniforms

All Cambridge teams are to practice and compete in school uniforms. The Athletic Director will designate the athletic practice uniform which must be purchased by the student. Athletic practice uniforms will consist of the following: designated t-shirt and shorts, white socks, and appropriate athletic shoes. The School will in most cases provide teams with their game uniforms. Students will not be allowed to practice unless they have on the correct practice uniform. Team uniforms must be turned into the coaches at the end of the season.

See Athletic Handbook (appended)

There are no shortcuts at Cambridge. None are taken.

Appendix A
Cambridge School Uniform Code

The Cambridge Crest must be visible on the school uniform at all times. Parker Uniform is the only approved uniform provider.

Parker Uniform

4887 Alpha Road, Suite 250

Dallas, Texas 75244

972-458-0645

School Code: DA022166

The Women of Cambridge, grades 6th-12th:

- ❖ **Dress Shirt:** White Oxford Button-Down Collared. Long sleeved only. When the shirt is worn without a sweater, the shirt must display the School's crest.
- ❖ Cambridge Colors **Plaid Skirt.** Women's skirts come to their knees or at least within two inches of the top of the knees; anticipate growth during the year.
- ❖ **Black Long-Sleeved Sweater with Crest:** V-Neck or Crew.
- ❖ **Black Drifter Sweater Vest with Crest**
- ❖ **Shoes:** Willits "Classic Saddle" Oxford black and white only (no writing on shoes or colored laces)
- ❖ **Socks:** White, **visible, between ankle and knee**, no emblems, logos, or colors
- ❖ **Black Fleece**
- ❖ **Scarf:** Black/red striped scarf with Cambridge embroidered on the end.
- ❖ **Black Blazer (12th Grade Only)*:** The Cambridge School crest is to be worn on blazer pocket. Blazers are typically ordered in March for students in their junior year to receive on Class Night in May.
- ❖ Approved **athletic outerwear** can be worn on game days and the Friday before a weekend event.

Cambridge Men, grades 6th-12th:

- ❖ **Dress Shirt:** White Oxford Button-Down Collared. Long sleeved only. When the shirt is worn without a sweater, the shirt must display the School's crest.
- ❖ **Khaki Slacks:** Flat front or pleated (no cargo pants)
- ❖ **Black Long-Sleeved Sweater with Crest:** V-Neck or Crew.
- ❖ **Shoes:** Black, polishable, non-athletic, and in good condition
- ❖ **Socks:** black, visible, between ankle and knee, no emblems, logos, or colors
- ❖ **Belt:** Black leather
- ❖ **Tie or bowtie:** Must be worn every day. Required for grades 9-12; optional, grades 6-8.
- ❖ **Black Fleece**
- ❖ **Black Blazer (12th Grade Only)*:** The Cambridge School crest is to be worn on blazer pocket. Blazers are typically ordered in March for students in their junior year to receive on Class Night in May
- ❖ Approved **athletic outerwear** can be worn on game days and the Friday before a weekend event.

***Blazer must be worn by seniors during the school day.**

****Please note that there are a number of uniform items that have been donated and are available for purchase at Cambridge. All clothing items are \$5.00 with the exception of blazers, which are \$10.00. Please visit the School if you would like to look at or purchase the donated uniform items.****

Athletic Handbook

2011-2012

3877 Walnut Hill Lane
Dallas, Texas 75229

Phone 214.357.2995
Fax 214.357.0880

Introduction

The purpose of The Cambridge School of Dallas Athletic Handbook is to provide an understanding and appreciation of the athletic program, as well as enhance communication among the coaches, athletes, and parents. This handbook contains policies and regulations that govern extracurricular athletics at The Cambridge School of Dallas (CSD). The athletic department, in coordination with the Headmaster, sets policies and procedures that govern the spirit of competition and uphold the traditions and standards of The Cambridge School of Dallas. The policies of this handbook have been approved by the school administration.

Prior to a student participating in any sport at CSD, both student and the parent/guardian must sign and have on file in the school office the following forms:

- Emergency Medical Form
- CSD Conduct Pledge
- CSD Athletic Pledge
- TAPPS Physical Evaluation/Medical History Form
- TAPPS Acknowledgement of Rules Form

All forms will be mailed out by the school office during the summer mailing.

Participation in sports is an integral part of a student's educational experience, and CSD attempts to provide athletic opportunities for each student who wishes to participate. Students in grades 7 -12 are eligible to participate in at least one sport during each of the three seasons.

CSD offers the following sports:

	Girls	Boys
Fall	Crew (additional fee) Cross-country (additional fee) Soccer Volleyball (additional fee)	Crew (additional fee) Cross-country (additional fee) Soccer
Winter	Basketball	Basketball
Spring	Crew (additional fee) Tennis (additional fee) Track and Field Golf (additional fee)	Crew (additional fee) Tennis (additional fee) Track and Field Golf (additional fee)

CSD offers **up to** three levels of team sports:

1. Middle School (7th & 8th grade)
2. Junior Varsity (8th – 11th grade)
3. Varsity (9th -12th)

Athletic Department Philosophy

Overview

The Cambridge athletic program serves the purpose of providing students a Christian environment in which to participate in competitive athletics. The program not only helps athletes develop their skills but also builds character and sportsmanship and encourages Christian principles and self discipline in all facets of competition and practices. Athletes also develop lifelong leadership skills and God-honoring service. It gives athletes the opportunity not only to have but also to serve as Christian role models for their peers and community. The program is based on the principle set forth in Colossians 3:23: "Whatever you do, work at it with all your heart, as working for the Lord, not for men." This program is here to honor God by instilling in young men and women the skills they need to be the people that God has called them to be.

Athletic Code of Conduct

Sportsmanship of Players

Cambridge athletes display admirable sportsmanship when they

- accept the calls or reprimands of the coach or referee without protest,
- use language seasoned with grace,
- give maximum effort,
- refrain from speaking disparagingly about their opponents,
- guard the safety of their opponents, and
- recognize the good play of others.

Sportsmanship of Fans

Parents and other fans display sportsmanship when they

- manage their young children at a game,
- avoid distracting all players on the court or field,
- cheer with positive expressions, and
- honor and respect the opposing team's players and fans.

The goal of The Cambridge School of Dallas is to be known as a school that has contagious enthusiasm for fair play and courtesy toward the opposing school's fans and players. The reputation of the School, and of Christ, is at stake in the behavior demonstrated by Cambridge players and fans at every game.

Guidelines

Middle School

6th grade

Students will participate in a Physical Education class during the school day.

7th – 8th grade

All students should participate in a team sport two of the three seasons per year (a total of 3 seasons in two years).

Time Requirements

Middle School Athletics practice will be conducted 2-3 days per week for approximately 1 hour after school. There will be no more than one game or competitive event per week. (The normal practice days are Monday, Tuesday, and Thursday. Some sports, such as cross-country and track, may have competition on a different day of the week.)

Equivalency

Outside equivalency may be earned in an athletic activity not offered at Cambridge. Application for the Equivalency must be pre-approved. Forms may be picked up in the Athletic Office.

It is the philosophy of The Cambridge School of Dallas that middle school students should participate in a variety of extra-curricular activities. These activities should be developmental in nature and less competitive.

Upper School

9th - 12th grade

All students will participate in an extra-curricular activity two of the three seasons per year (a total of 5 seasons in four years).

Equivalency

Outside equivalency may be earned in an athletic activity not offered at Cambridge. A maximum of two outside equivalencies may be earned. Application for the Equivalency must be pre-approved. Forms may be picked up in the Athletic Office.

Time Requirements

Upper School Athletics practice will be conducted 5 days per week for approximately 2 hour before or after school. There will be no more than three games per week. Summer/Off Season workouts are highly recommended.

Varsity (9th – 12th)

1. Varsity athletic eligibility will be determined by the Texas Association of Private and Parochial Schools (TAPPS) manual and CSD athletic director (**NO 8th grade student shall play at the Varsity level**).
2. Form the most competitive teams through a system of “trying-out” determined by each head coach.
3. Students first, winning second. Wins are important in varsity athletics, but do not stand alone in determining the success of a season. The amount of team unity, strong work ethic and sense of pride that develops over the course of the season are all factors in determining success at the varsity level.

4. Since personal development involves learning what is required for success, including winning in competition, the coaches will exercise discretion to play the athletes necessary to win the game.

Junior Varsity (8th – 11th)

1. The Texas Association of Private and Parochial Schools (TAPPS) manual and Athletic Director will determine Junior Varsity athletic eligibility.
2. Prepare athletes, through an appropriate level of competition, for participation in the varsity program.
3. Emphasize development of fundamental skills, game strategies and team unity, realizing success is not measured only in terms of wins and losses on the junior varsity level.
4. Allow playing time in practice and games over the course of the season to foster maturity in athletes. Junior Varsity student athletes who are on the active roster will have playing time appropriate to skill level.

Note: All students who “sign up” for athletics are placed on a team roster unless issues of safety, health, supervision, space or facilities become prohibitive. In that event, the Athletic Director and/or CSD administration may decide to limit roster sizes and/or number of teams.

Safety and Eligibility

Safety

Safety is paramount with athletics and the Athletic Department continually strives to provide students a safe and enjoyable environment in which to participate. Accordingly, all coaches and administrative personnel have a responsibility to reduce and/or eliminate all potential safety hazards. It is vital to understand that participation in athletics involves inherent risks.

Coaches and administrative personnel are obligated to act in a prudent manner in order to prevent foreseeable accident and injuries. They should respond to unexpected circumstances according to guidelines set forth by the school's safety procedures.

Insurance and Athletics Physicals

Adequate insurance coverage for an athlete is the responsibility of the parent or guardian.

As a minimum requirement, the TAPPS **Physical Examination Form** must be completed prior to middle school athletic participation and again prior to freshman and junior years of high school athletic participation. Any student transferring to CSD must have this form on file before participating in any athletic activity.

It is recommended that the **Medical History Form** be completed *annually* by parent (or guardian) and student in order for the student to participate in athletic activities. This form is on the reverse side of the Physical Examination Form.

Student Emergency Information & Medical Release Form will be copied and issued to coaches to carry with them to all practices and games. Copies will also be kept on file in the Athletic Office. This form **must** be completed before participation in any athletic activity.

Pre-Season Coaches/Parents Meeting

A pre-season coaches meeting will be conducted by the coaching staff prior to the athletic season. Coaches will discuss their goals, expectation, team rules and regulations. It is important that at least one parent of each player attends to have any questions answered prior to the start of the season.

Eligibility Requirements

TAPPS Eligibility

Please refer to the Texas Association of Private and Parochial Schools (TAPPS) Eligibility requirements in the TAPPS Manual (www.tapps.net). A student/athlete must not have reached 19 years of age prior to September 1 of the current school year.

CSD Eligibility Policy and Guidelines

If a student's grade in any course for one quarter is below 70, that student will be placed on academic probation. A student on academic probation is ineligible for participation in any co-curricular activities unless the Headmaster chooses to consider mitigating circumstances. In addition, students are ineligible to participate in co-curricular activities if they are on disciplinary probation or suspension or fail to attend at least four classes in a given day (unless considered as a pre-arranged absence; see Student/Parent Handbook, p. 12).

POLICY AND PROCEDURES

CSD Participation Requirements

The Cambridge School of Dallas is a small school with a clearly defined academic mission. It also has a strong commitment to a carefully defined athletic program. The School competes in those sports that are conducive to our size and mission. It provides the highest quality coaching for its teams and consequently fields highly competitive teams. Its varsity teams practice five days a week outside of school hours for two hours each day. The appropriate forms must be completed and signed for students to participate.

All students participating on an athletic team are expected to attend all scheduled games. If a student misses a game for reasons not cleared by the coach or the Athletic Director, the coach has the right to treat the failure to attend the game as an unexcused absence, which could result in not playing the next game or a part thereof. Being a member of a team is an obligation to others, both on the team and to competitors. Team membership is a privilege that is not superseded by one's personal schedule or academic demands.

Holiday Practices

Practices and tryouts for the Fall athletic season will start in the month of August. Flyers will be sent to students in May giving the exact dates, times and sites. Parents and students should note these dates on their summer schedule and be available for practice and/or tryouts in August. The Winter season is interrupted by Winter Break. During the Winter Break, teams are not allowed to practice during exam week through December 26. However practice/tournament play may resume on December 27. Holiday and Sunday practices are prohibited. Practice during Spring Break is optional.

Cancellation of Practices/Games

Cancellation of games and/or practices due to inclement weather will be normally made before 1:00 PM. Rescheduled dates will be publicized as soon as they are made available. Student athletes should always come to school prepared to play or practice that afternoon. Please do not assume a cancellation based on the weather in the morning. Decisions about cancellations after 3:00 PM will be made at the game/practice site by officials or the Athletic Director.

Emergency School Closings

See Student Handbook (p.24).

No School, No Practice or Games!

Transportation

All team members will travel to and from games with designated CSD transportation.

- Parents are allowed to transport their child under written/verbal agreement with the coach.
- Parents are not allowed to transport other team members without written approval by a parent.
- Student drivers may be permitted to transport themselves to local practice/contest venues. The Athletic Director's approval must be obtained before the event.
- It is the responsibility of all athletes to follow van guidelines as set forth by their coach. In addition, the athletes must maintain van cleanliness.

Coaches must fill out a van request form prior to their first game. Use of school vans is by reservation only. Reservations may be made using the reservation board outside the Business Manager's office.

- If two teams are scheduled for Away games on the same date, the team with the furthest distance to contest will reserve the rights to the van.
- If a van is not available, the coach must coordinate with the Team Parent to arrange appropriate transportation to the contest.
- All drivers must have a copy of their driver's license and driving insurance on file with the Business Manager.

Van keys can be picked up in the Business Manager office the day of your departure.

Athletic Uniforms

All Cambridge teams are to practice and compete in school uniforms. The Athletic Director will designate the School practice uniform, which must be purchased by the student. The School will in most cases provide teams with their game uniforms. Students will not be allowed to practice unless they have on the correct practice uniform. Athletic uniforms may not be worn to school without approval of the Headmaster.

Athletes must return uniforms to their designated coach in satisfactory condition **no later than one week** after the final athletic contest for the season. Parents of athletes will be responsible for uniforms not returned after the one-week period. When uniforms are lost or not returned, it creates undue burdens and complications for future teams. In most cases, uniforms cannot be replaced and the sets will be short until new sets of uniforms are ordered. Most sets of uniforms are replaced on a four-year cycle.

Class Attendance

To practice or participate in an athletic contest, students must attend a minimum of four consecutive classes that day, excluding lunch. Any student leaving school due to illness will not be able to participate that day in after school sports. The Athletic Director on an individual basis grants exceptions. The student or parent should request an exception as early as possible, preferably no less than one day in advance.

Selection of Teams

Prior to any athletic season, the Varsity and Junior Varsity coaches will decide whether to hold separate or combined tryouts to select members for the Varsity and JV teams. When combined tryouts are held, players are considered for either the Varsity or the JV team and the coaches will work together to decide on which team each player will play. When separate tryouts are conducted for the Varsity and JV teams, students are informed that they may be selected to play at the Varsity or JV levels, based on the number of athletes for each tryout. Final team rosters will be posted the morning after the last tryout session.

Playing for Other Teams/Participating in Conflicting Activities

CSD expects athletes to play only for the school team because playing for another team or participating in other activities might create conflicts with school practices or games. The **recommendation** to allow athletes to participate in conflicting sports or other activities is submitted to the Athletic Director by the student prior to the first practice or tryout. After considering factors such as team sport vs. individual sport, if team cuts are made, and the number

of conflicts (missed practices and games, a decision will be made. In order to come to a mutual decision before the team is selected, student athletes are required to discuss with the coach their intention to participate on another team or activity **during or before tryouts**.

The Athletic Director will make the decision to allow athletes to remain on the CSD team, and that decision will be based largely on the coach's recommendation. Participation on more than one team in the same season is permitted in unusual circumstances with prior approval from the Headmaster and Athletic Director. If other school events, such as field trips, classes, or drama activities conflict with games or practices, the Headmaster will resolve the conflict with the benefit of recommendations from the Athletic Director and the sponsoring faculty member. Student and parent wishes will also be considered.

Playing Time

Playing time is a privilege and must be earned. Players are expected to attend all scheduled practices. Every effort should be made to notify the coach in advance when a student will miss practice(s). Coaches will follow these playing time guidelines:

Middle School	Coaches are expected to play all eligible players in each game during the regular season.
Junior Varsity	Coaches are encouraged to play all eligible players in each game during the regular season.
Varsity	Coaches should play as many players as feasible. Playing time at the Varsity level is based on coaching decisions made during practice and the contest.

Exceptions to the above guidelines (on all levels) include:

1. Missing team practice(s)
2. Attitude and effort
3. Violation of team rules
4. End of season Tournament Games

Lines of Communication

Please adhere to the following steps whenever important information regarding any aspect of the athletic program – including concerns, grievances, or questions – must be communicated:

1. Players/Parents must first speak to their coach.
2. Assistant Coaches must speak to the Head Coach in their sport.
3. The Head Coach must take his/her concerns to the Athletic Director.
 - * If any PLAYER, PARENT, or ASSISTANT COACH approaches the Athletic Director, they will be referred to the Head Coach.
4. The Athletic Director communicates to the Headmaster.
 - * If any PLAYER, PARENT, or ASSISTANT COACH approaches the Headmaster, they will be referred to the Head Coach.
5. The Headmaster addresses the CSD Board of Trustees.

Supervision of Athletes

All athletic areas in use must be supervised by a qualified adult. These areas include the gym, weight room, and all athletic fields. Athletes may not work out by themselves or participate in any unsupervised activity. Coaches have a duty to supervise the members of their team. This involves always being physically present at practice. Coaches must remain with players until their transportation needs are met after all practices and games. All athletes must be properly supervised during practice and while traveling to and from athletic events or games. For all-day or overnight tournaments, coaches must plan an itinerary that will ensure the proper supervision of the students at all times. **Every athletic trip must be supervised by at least two chaperones.** If female students are on the trip, at least one chaperone must be female.

Team Parent

1. Communicate to parents about practices and games, driving needs, especially the Middle School non-driving student teams.
2. With the direction of the Athletic Office organize transportation to all games or practices as needed.
 - a. All team members will travel to and from games with designated CSD transportation.
 - b. *Varsity players may not drive themselves or other players to games without prior approval from Athletic Director.*
 - c. If the team van is not available, players are to ride with their coach or a team parent.
 - d. Prepare and distribute a schedule showing drivers, times, places, cell numbers, etc.
3. Recruit parents to provide water for the team during the games if needed, and after game refreshment as decided by the team parent.

Athletic Awards

Season Awards

Season awards will be presented yearly during the annual sports banquet and team sports banquets.

Lettering

A **Varsity** letter may be earned when the athlete is eligible for TAPPS competition, in 9th grade.

REQUIREMENTS: If you have completed a full season on a varsity team (9-12 only), you may order a CSD jacket.

Guidelines for Lettering:

Each head coach will determine his own criteria for lettering, but is encouraged to consider the following guidelines:

1. A maximum of 3 unexcused absences from practice.
2. No unexcused absences from contests.
3. Be a squad member for at least half the respective season. If an athlete participates less than half the season in that varsity sport but is a team member during a TAPPS contest, and incurs significant playing time, the head coach will determine whether a varsity letter is awarded.
4. If injured, complete the season successfully with the team in a capacity determined by head coach and athletic director.
5. Meet the playing and team standards as set forth by the head coach.

Special Season Awards

For each season, each athletic team will receive two special individual awards. This will include Varsity, Junior Varsity, and Middle School sports. The yearly awards are:

1. MVP: Most Valuable Player
2. Coach's Award: The athlete who displays spiritual maturity and is a leader on and off the playing court or field. This should be a team leader displaying sportsmanship and citizenship among fellow students and athletes.

**Special awards could possibly be awarded upon the Athletic Director's approval.*

Yearly Awards

The Yearly Awards will include:

A. Outstanding Middle School Athlete

1. 1 boy & 1 girl
2. Exemplary season in 1 or more sports.
3. Good academic standing.
4. Recommended by Headmaster, AD & Coach.

B. Lion Blanket Award

1. Presented yearly at the Annual Sports Banquet (Seniors only).
2. The Lion Blanket is for athletes who maximize their sports participation at Cambridge, show commitment to the sports' teams, demonstrate good character and excellent sportsmanship.
3. Athletes must have participated in at least 8 sports seasons on a Cambridge team.

C. Hallway of Honor

1. Presented yearly at the Annual Sports Banquet (Seniors or Alumni only).
2. This award is presented to athletes who have made an outstanding contribution to the Athletic program at Cambridge and have exemplified the model student/athlete. Special consideration will be given to those students continuing their athletics at the collegiate level. Generally no more than one boy and one girl will be selected each year.

D. Bates-Miersma Lion Heart Award

1. The Lion Heart will be given annually at the sole discretion of the Athletic Director.
2. The purpose of the award is to recognize selfless commitment, dedication, and/or achievement of the highest standards by a member of the Cambridge community (student, teacher, coach, volunteer, or parent).
3. A glass "tombstone" plaque is to be given to the recipient.
4. The award is named after Cambridge Alumni Jesse Bates & Michael Miersma (class of 2006), who won the school's first national championship.
5. The first recipient was Coach Pat Hamner (crew), awarded at the May 2007 Sports Banquet.

***If no student meets the above criteria for any of the yearly awards, that award may not be given out for that year.**
