CURRICULUM

The Cambridge School of Dallas seeks to prepare students for universities that are highly selective in their entrance requirements. The single-track curriculum in core subject areas seeks to prepare all students and provide access to Advanced Placement courses which teach to the rigor and standards of the College Board. Students are encouraged but not required to take AP exams; however, all AP courses are designed to prepare students to master the material. Courses of study without an AP exam terminus, such as theology, are taught with similar rigor, expectations, and objective standards.

CLASSICAL and LIBERAL ARTS

The School is classical in three senses of the word: in perspective, in quality, and in pedagogy. Cambridge's curriculum is unapologetically based on a careful study of Western civilization. The curriculum draws deeply from the classics, which are often referred to as the Great Books, works that have endured the test of time.

SENIOR TUTORIAL

The Senior Tutorial is the capstone of the Cambridge curriculum and is required for graduation. Its purpose is to provide students with an occasion to research a topic in depth, to formulate a thesis worthy of debate, to write and refine a rigorous academic paper, and to defend their thesis publicly before an academic committee. The titles of the 2018 finalists were "A Romantic Readiness: The Virtue of Hope and the Fiction of F. Scott Fitzgerald," "Overcoming Fear of the Fairytale," and "The Specter of Reality: A Supernatural Solution to the Quantum Quandary".

ACCREDITATION

The Cambridge School of Dallas is accredited by the Southern Association of Colleges and Schools (SACS). Among its professional memberships are the College Board and the Educational Records Bureau. The School is not affiliated with a specific church or denomination.

STANDARDIZED TESTS

In 2018, Cambridge students received the following: 12 AP Scholars with Distinction, 2 AP Scholars with Honor, and 5 AP Scholars.

HISTORY, MISSION and VISION

The School began as Logos Academy in 1996 and became The Cambridge School of Dallas in 2001. The Cambridge school of Dallas (grades 6-12) is a Christ-centered, classical, college preparatory school and is committed to "Academic Discipleship: Fostering a Love of Learning with a Passion for Jesus Christ." The School desires to transform the lives of its students so that they will engage life using their God-given gifts and abilities to meet the world's deepest needs. Such a transformation must be caught as much as taught. The School seeks to produce careful young thinkers who are passionate about truth, who honor the past and who knowingly stand on the shoulders of the great minds of previous generations for the sake of their world and time.

FACULTY

The Cambridge faculty members are master teachers. Currently, the student faculty ratio is 6 to 1, combining master teachers with small classes for effective pedagogy. The faculty has extensive experience in teaching Advanced Placement courses offered in the curriculum. Of the faculty, four have doctorates, two are Ph.D. candidates, and six others have master's degrees in their areas of teaching.
